THE MINISTER OF EXTERNAL AFFAIRS (SHRI VIDYA CHARAN SHUKLA). (a) to (c) The Confidence Building Package proposed by India on 28 May, 1990 *inter alia*, called for the closure of all training camps for terrorists. The Government of Pakistan has claimed that it is not its policy to support terrorism directed against India in Punjab and Jammu & Kashmir. However, we continue to have evidence on the ground, of terrorists receiving training and other support from Pakistan. We shall therefore continue to raise this issue with the Pakistan Government whenever we have an opportunity to do so. The question of the closure of the training camps and of stopping all other support to terrorists has been taken up with the Pakistan Government in almost all political level interactions with Pakistan recently
